**Subject:** Case management conference for Grand v. University Heights, et al

Ms. Evans,

I have a trial scheduled for January 10th when we have a case management conference scheduled for the Grand v. University Heights case. I would like to ask the court to reschedule. I have already conferred with counsel for the City and they are available any date January 2 - January 6, or January 19 or 20. Are you ok if I request to reschedule to any of those dates?

Thank you,

Jonathan Gross
